YOUR INVITATION

International Cake Show Australia (ICSA) is unique. It's Australia's ONLY industry operated show that **focuses ENTIRELY on Baking, Cake & Cookie Decorating, Sugarcraft & Sweet Making**. It attracts tens of thousands of hobby home bakers, professional cake and cookie artists, pastry chefs and industry buyers over three huge days. If you're a business (big or small) serious about building your brand awareness or selling your products or services to a huge crowd we **INVITE YOU** to join the many industry leading businesses that lock ICSA into their diaries in indelible ink every year.

WHO EXHIBITS or SPONSORS? Anyone who is affiliated with supplying the baking, cake and cookie decorating, chocolate, sweet making, party or wedding industries. Local, interstate and international **MANUFACTURERS** exhibit to showcase their products. They come to network, meet and appoint new distributors and to sell and promote directly at the show. This year we've introduced five huge new stages. They're designed specifically for **DISTRIBUTORS** who have expressed a keen interest in showcasing and promoting their products to a massive audience while supporting their **BIG & SMALL retailers** who have stands selling at the show.

Our **RETAIL VENDORS** come back year after year, to showcase, educate and **SELL HUGE VOLUMES** of their products to a large captive audience who are hungry to learn about new equipment, technology, ingredients and innovative products. Visitors come to the show keen to upskill and restock. They come in droves from all corners of Australia and from across the globe. ICSA visitors are serious buyers, who save all year and come to the show, equipped with their shopping trollies. **VISITORS COME READY TO BUY UP BIG!**

WHAT'S NEW? ICSA is now widely recognised as an international major event. The 2024 show will be held at Brisbane Convention & Exhibition Centre (BCEC). This huge state-of-art venue is the home of Brisbane's seriously big events. In 2024 ICSA will be showcased across a massive 5.000 sqm. BCEC provides room for ICSA to continually grow and will be ICSA's long term home. Dates have been locked in for 2024, 2025 and 2026! Located in the centre of Brisbane's tourism precinct and right next door to a huge transport hub it will be far more appealing to the masses of visitors we are expecting. In April we're raising the bar. We're delivering an ICSA that you've never experienced before. We hope you are as excited as we are. ICSA is designed to promote and grow our industry, it's designed specifically to promote and grow your business.
